

Dear valued customers,

Hycal Engineering is no longer in the business of manufacturing Relative Humidity or Dew Point Transmitter. Not to worry, we can offer many choices that are the same quality and are a drop in replacement.

Please contact Trask Instrumentation Inc. at 864-848-3993 or [mike@traskinst.com](mailto:mike@traskinst.com) for an alternative product.

We look forward to assisting you with your next application.

Regards,

Mike Trask
